

You may need a Property Sewerage Plan

- About to purchase a property?
- Got a blocked drain?
- Planning to install a swimming pool, extend your home or build a garage?
- Landscaping the backyard?

A Property Sewerage Plan provides you with a record of where your sewerage drains are located within your property.

Plans can be purchased from South East Water for \$21.00 (No GST applies) per property. For more information or to place your order, please call **131 694**.
